Proposal, Date Due: **05/11/04**

block 11 which should have read that the "hour and date specified for receipt of Offers (x) is extended".

TECHNICAL QUESTION CLARIFICATIONS

1) The Agency's response to technical question 11, which discusses peer reviewers. We are unclear as to how many PL4 hours are to be allocated for in-house peer review/document coordination (Statement of Work Task 5, Evaluation criterion C.4) and how many PL4 hours are to be allocated for the 3-30 people (peer reviewers) who will perform external peer review. Please provide further clarification.

(A) The PL4 hours are not predetermined for internal or external peer review. The offeror is responsible for allocation of identified professional level hours.

2) We note that ODCs listed in subparagraph (i) in the cost proposal instructions do not include costs for consultants or subcontracts. Is this due to the fact that expert consultants (peer reviewers) cannot be identified before task orders are issued?

(A) Any consultants/subcontractors professional level hours are to be included as part of the total level of effort.

3) We also have a question about the Level of Effort Distribution Table. Total PL3 hours (adding across the base year and all options) do not add up to 9,750. Please clarify.

(A) See page 3 of this amendment for an updated distribution table.
